

MossBack Fish Habitat Product Assembly

(for assembly of MossBack single products, kits, and bundles)

Thank you for purchasing a MossBack Fish Habitat Product! Our products contain multiple parts and we want to make sure your assembly experience goes smoothly. The color coded key below will assist you with which trunks, limbs, and bases go together. You will find the end of the trunks color coded, as well as the sides of the base (if applicable).

<u>Color</u>	<u>Product Type</u>	<u>Limb Length</u>
Yellow	Spawning Bed	46" limbs
Yellow	Root Wad	46" limbs
Red	Trophy Tree	46" limbs
White	Safe Haven	46" limbs
Green	Trophy Tree XL	60" limbs
Blue	Safe Haven XL	60" limbs

We truly appreciate your business!
